

Government Finance Solutions

**Federal and State
Public Funding
Expertise**

The American Rescue Plan Act, the Infrastructure Investment and Jobs Act, and other state and federal funding will provide significant funding to Pennsylvania municipalities and counties. Each municipality and county must develop a multi-year strategy to leverage and optimize opportunities created by this funding.

Funding Objectives

- ✓ Supporting urgent COVID-19 response efforts
- ✓ Replacing lost revenue
- ✓ Supporting immediate economic stabilization
- ✓ Addressing systemic public health and economic challenges
- ✓ Investing in core infrastructure

Government Finance Solutions Advantages

GFS creates strategies that combine effective funding solutions with community connections to expand and diversify the municipal tax base and improve financial strength.

- ✓ Defining priority projects
- ✓ Identifying and evaluating potential public funding opportunities to leverage
- ✓ Connecting and coordinating engagement with key stakeholders
- ✓ Improving community communications

Spending Categories

- ✓ Supporting public health expenditures
- ✓ Addressing negative economic impacts
- ✓ Providing premium pay for essential workers
- ✓ Investing in various types of infrastructure
- ✓ Replacing lost public sector revenue

- ✓ Developing applications and supporting documentation
- ✓ Assisting with eligible cost determination
- ✓ Calculating revenue loss
- ✓ Preparing budgets and reports
- ✓ Monitoring sub-recipients
- ✓ Assisting with internal controls
- ✓ Developing policies and procedures to ensure compliance and transparency
